

Join the Movement: Make Your Year-End Gift to NOMA

As 2025 comes to a close, I'm filled with gratitude and pride reflecting on the incredible progress we've made at North Omaha Music & Arts (NOMA). This year has been transformational:

- We completed a major renovation of our space, unveiling an upscale bar and performance venue.
- We added three new second-floor labs, expanding our offerings in drums, bass guitar, piano, and dance. We have a new broadcast studio also nearing completion.
- We hosted our biggest NOMAFEST yet—bringing music, energy, and community together like never before.

None of this would have been possible without our passionate team, the talented musicians who light up our stage, the dedicated kids eager to learn, our community partners—and you, our generous donors and volunteers.

The momentum is real, and the demand for what NOMA offers is growing fast. National artists are taking notice of our performance space. Our educational programs are expanding. NOMAFEST is now a signature summer event. And year five is shaping up to be our most ambitious yet.

To meet this moment, we need your support.

Your year-end gift will help us scale our impact and continue to serve our community through music and arts education, while contributing to the economic development of North Omaha.

Here's how you can make a difference:

- Music education: You can make a monthly donation of \$27.50 and Partner with A Parent to cover tuition. You can also fund a full scholarship for a year at \$660. Other donor opportunities include \$10,000 for a new dance floor, or \$8,000/month to support our dedicated teaching artists.
- NOMA 2026 Concert Series: A dynamic lineup of performances that will bring even more unforgettable music to our community — and we're inviting visionary donors to help make it happen. Various donor levels are available.
- Join our Engagement Council — commit to raising \$1,000 annually and become an advocate for NOMA's mission.
- Giving Tuesday402: In partnership with SHARE Omaha, NOMA will once again participate in Giving Tuesday402. On the Share Omaha website – search North Omaha Music and Arts to make a donation on or before Dec. 2.

Your donation isn't just a gift — it's an investment in creativity, opportunity, and community. You'll see your dollars come alive in the form of vibrant performances, empowered youth, and a thriving cultural hub in North Omaha.

Let's keep the momentum going. Be part of something extraordinary. Give today. Grow tomorrow. Join the NOMA movement. To make a donation, please go to the Donate page on NOMA's website, <https://northomahamusic.org/donate/>

Invest in the Future of Music: Support NOMA's Learning Labs

At North Omaha Music & Arts (NOMA), music education isn't just a program — it's a pillar of our mission.

We believe every child deserves the opportunity to discover their voice, rhythm, and creativity through music. That belief has

led to a bold investment in our second-floor learning labs, a state-of-the-art space designed to nurture talent, inspire growth, and meet the rising demand for our programs.

This summer, we proudly completed construction on our piano, drum, and bass/guitar labs, with our dance studio and broadcast space nearing completion. Each lab is an independent learning area, allowing five different classes to operate simultaneously, with 10 student stations per lab — ensuring focused, hands-on instruction.

Explore Our Labs

- Piano Lab: 10 student stations + instructor piano for group learning and individual growth.
- Drum Lab: Nebraska's only state-of-the-art Roland electronic drum kits — 10 stations for rhythm and technique.
- Bass & Guitar Lab: Featuring Squier Jazz Basses and guitars — students dive into harmony and groove.
- Broadcast Studio: Industry-standard tech introduces students to audio/video production, livestreaming, and podcasting.
- Dance Studio: A space for movement, expression, and connection — where music meets motion.

Take the Stage with Us: Support the 2026 NOMA Concert Series

At North Omaha Music & Arts (NOMA), something extraordinary is happening. Some of the nation's top jazz artists — Eric Gales, Lakesha Benjamin, JR Robinson, Stacey Dillard, Camille Thurman, and Tarbaby — have already graced our stage. And they're calling it one of the top five jazz venues in the country.

"Artists who've performed here are telling others," says Dana Murray, NOMA's Executive Director. "Now, they're calling us."

We're ready to take the next bold step: launching the 2026 NOMA Concert Series, a dynamic lineup of performances that will bring even more unforgettable music to our community — and we're inviting visionary donors to help make it happen.

Why Your Gift Matters

Your support will:

- Bring world-class talent to North Omaha
- Honor our rich musical legacy rooted in the history of North 24th Street
- Inspire the next generation of artists and audiences
- Strengthen NOMA as a premier live music venue

This is more than a concert series — it's a movement. And you can choose your level of impact:

The 2026 Concert Series is an economical way to enjoy live music, plus your donation directly supports NOMA as a live music venue and for national and local artists.

Choose Your Impact

- \$10,000 – Spark the Stage: Bring two unforgettable performances to life each month. Your support fuels artistry that moves hearts and builds community.
- \$20,000 – Shape the Season: Sponsor two months of live concert performances.
- \$30,000 – Celebrate the City: Fund a full spring or fall series – three musical artists/groups
- \$50,000 – Lead the Legacy: Underwrite the entire Summer Season, including NOMAFEST. Be the name behind the celebration that brings joy, unity, and rhythm to our streets.

As a Lead the Legacy donor you'll receive:

- Brand visibility on NOMA's website for a year
- Logo and acknowledgement as part of our annual report
- Shout outs on all NOMA social media platforms
- Four passes to attend 12 months of concerts.
- Guided tours of NOMA for company representatives
- One exclusive volunteer event for up to 10 employees
- Masterclass Ambassadors perform at company headquarters (limited to Omaha Metro)
- 45-second thank you video from students (created in NOMA's broadcast lab)

Let's build something unforgettable — together. Your support doesn't just fund concerts. It fuels a movement, honors a legacy, and brings people together through the universal language of music.
